Wheatland Salem Church

# Adult Ministry Guide

Summer 2019

Wheatland believes that through living a devoted, connected and generous life a person will grow in their faith and eventually yearn for more involvement in Christ's mission.

Our primary method for discipleship is gathering in groups. Wheatland has four different types of groups to further a person's spiritual development: Community, Growth, Support, and Ministry. Take the next step in your faith walk by joining one of these groups. We believe participation in a group grows one in their faith and connection to the church. Since Jesus' original small group of twelve, groups have provided the most effective transfer of the faith because they offer relationship, mentoring, experience, serving opportunities, and encouragement as they equip. We also believe that workshops, seminars, classes and short-term studies help an individual to grow along the Discipleship Continuum.
