

## Homework for Lesson 26: Looking Like God: The Imago Dei

We've heard that we are all made in God's image, but what does that *really* look like?

### **On a blank sheet of paper:**

On the left side of the paper, write down ways that you think you are like God. Maybe you like to create things, just like God. Or maybe you like to take care of people like God. Think of anything you can where you think you and God share a similar trait or interest.

On the right side, write down words that describe you physically. This can include your race, gender, hair and eye color, even your nationality.

Now, on the back of the paper, draw a picture of yourself using the physical traits you listed that also includes one of the traits that you and God share. Be creative.
